

NGĀTI WHĀTUA ŌRĀKEI TRUST

International and National Representative Sports Grant Policy

Context

In line with the Trust's key strategic aims of Kāhu Pōkere (soaring to the highest heavens) and Tinorangatiratanga (self-determination), the Trust wishes to encourage, acknowledge and support ngā uri o Tuperiri (registered members of the Ngāti Whātua Ōrākei Trust), their blood descendant children and those who are whāngai or legally adopted children of registered members of the Ngāti Whātua Ōrākei Trust that gain national representative status in sport as athletes, management or coaches of athletes or teams that have national representative status.

The Trust recognises that participation at international level can be costly and may discourage whanau from participating. This policy seeks to broaden the participation of our whanau on the international sporting stage and by so doing send a positive and celebratory message to all whanau of Ngāti Whātua Ōrākei.

In August 2014 to formalise this intent the Trust resolved the following:

To provide those members of Ngāti Whātua Ōrākei or those who are whāngai or legally adopted children of members of Ngāti Whātua Ōrākei, a \$1000 grant each financial year in the year they are selected to assist them should they attain New Zealand representative status in their relevant sport. Applicants will need to demonstrate they are or their guardians are members of Ngāti Whātua Ōrākei and provide necessary proof from their sporting representative body they have attained national representative honours before a grant can be approved for payment.
