BLAIR Renata

It would be an honour to once again represent you on the Trust.

Over the past four years, we've seen strong growth and success, and faced challenges together. I've worked hard to uphold our values and represent our iwi with pride, whether in the commercial world, leading karakia, supporting our iwi at Te Matatini, or standing on the paepae to deliver whaikōrero at tangihanga.

My commitment is simple: I want the very best for our people and for Ngāti Whātua Ōrākei to thrive.

I bring governance experience from serving on boards such as AUT University, the IMSB, and Eden Park. I also represent the Trust on Whai Rawa, where we continue to advance initiatives such as Toi Tupu (our savings fund), and support whānau into homeownership.

Most importantly, I remain visible and present on our marae. I'm deeply connected to our people and would be privileged to continue serving you.

Kei taku iwi, kei aku toto, nei noa taku manawa, e mihi atu nei.

E tupu ora ana tō tātou whenua rangatira, tō tātou reo rangatira, me ā tātou mokopuna rangatira, me te aha, kua nui noa atu te werohia o tō tātou iwi, o Ngāti Whātua e iwi kē atu, i tata, i tawhiti rānō hoki.

Nā reira, tēnei ahau ko tō whanaunga e tū mataara nei, e wehi kore nei, e rite mārika nei hoki ki te tū hei pou whakairo mō tātou.

Neke atu i te 13 tau ahau e tū pokohiwi tahi ana me ngā toa o te iwi i te mura o tēnei ahi e ora tonu ana i ngā piki me ngā heke. He kanohi kitea, he reo rangona hoki i Te Paepae a te Kawau me ngā taumata katoa o Te Kahu Tōpuni o Tuperiri, he karanga nō ngā kaupapa hirahira o te wā.

Kua riro taku manawa i ngā kaupapa whakahirahira o te iwi, pērā i te whakawhanaketanga o tō tātou ake reo, o tō tātou ake hauora, o tō tātou ake pūkenga ki te ao pakihi, ki te ao ōhanga, me ngā mahi hoki i te ao hākinakina.

Nā reira, kei taku iwi, ki te whakatū anō koutou i ahau, ka tū hoki koutou ki taku taha, he mana nō tātou, he reo rangatira nō tātou, he whakaaro kotahi nō tātou, mō ā tātou mokopuna te take.

Ko tō manawa, ko tōku manawa, mō Whātua i te ao, i te pō.

CLARK Precious

E ngā uri o Tuperiri, he mihi maioha ki a koutou katoa.

He uri whakaheke nō Tuperiri, Āpihai Te Kawau, Te Hira Pateoro, Piupiu rāua ko Eruini Hawke, tae atu ki ōku mātua ko Patu Hawke rāua ko Nobby Clark.

Ko Precious Clark ahau, e mihi atu nei ki a koutou, ngā heru hāpai o Ngāti Whātua.

I'm seeking reappointment to maintain stability, consistency, and to continue to progress our mahi. I was raised to care about our whānau, our whenua and our future.

I stand for:

- Upholding the mana of Ngāti Whātua Ōrākei
- Strengthening our reo, tikanga, mātauranga and Kura-ā-Iwi
- Supporting whānau as they move through their life stages
- Driving economic success to fund whānau focussed kaupapa

Through strong collective leadership, significant achievements have been realised — from building Hawaiiki housing, growing our reo and tikanga, to hosting Te Matatini and representing proudly at America's Cup in Barcelona. These successes are the result of having the right team making the right decisions.

Despite the progress made, the impacts of Covid and the economic recession are still being felt - making strategic, experienced, and compassionate leadership more important than ever.

The skills I bring are:

He Kanohi kitea, actively contributing to Ngāti Whātua Ōrākei governance, marae and hapū activities.

A proven leader and experienced Governor, currently serving as Chair of the Auckland Museum Taumata-a-Iwi and having completed two terms on the NWŌ Trust. As CE of my business Maurea, I've successfully navigated Maurea through economic and political challenges to continue to improve Māori outcomes. I'm a solid contributor, always turn up ready to do the mahi and serve our whānau. I'm known for getting stuff done.

Holding degrees in Law and Arts, with international legal experience, I've built strong connections with business leaders, Councillors, and MPs which are actively leveraged to benefit our whānau.

Culturally astute and fluent in te reo, I'm a practitioner of tikanga, and a kaikaranga at our marae.

Commercially astute, I've successfully run my own business for 13 years and served on the Whai Rawa Board from 2012 – 2022 that grew our tribal net equity value by 400% to \$1.2Billion. I can be trusted to provide calm leadership, support economic growth and we need growth to continue funding Iwi activities.

I will continue to work in service of our Iwi and appreciate your tautoko to do that as part of our Trust Board.

DAVIS Tama

Kei aku nui, kei aku rahi, nei rā te mihi ki a

With deep roots in our whenua and whakapapa, I bring extensive leadership experience across the health, education, and business sectors. I am a proud member of the Institute of Directors, hold an MBA, and have completed postgraduate studies in Māori Business Development, Māori Performing Arts, and Health Science.

Ōku pūkenga span from the marae to the boardrooms of major organisations, and into the heart of our communities—through small business ownership and mahi aroha for grassroots initiatives.

I stand for:

- Tino rangatiratanga and cultural integrity
- Warm, healthy, and sustainable homes for our growing whānau
- Healthy whenua and wai for future generations
- Continued investment in hauora, education, and career pathways for our tamariki, mokopuna, and all uri o Tuperiri

Support for Māori entrepreneurship and innovation

Ka nui te mihi ki a koutou katoa. I am humbled to serve and committed to building strong foundations for generations to come.

FAIERS SKIPWITH Mia Jan

Serving as an Elected Representative is a privileged position and I am thankful to stand as a trust board nomination.

As a child, I ran barefoot across Takaparawhau, and although I left Tamaki Makaurau some years ago, my whenua has carried me through the darkest of days.

Living in Australia has given me a greater sense of whanaungatanga & connecting with my wider whānau. Working for an Aboriginal organisation (VACCA), allows me to advocate for fairness, equity, transparency, accountability & respect for my Aboriginal clients & colleagues & their lived experiences and associated intergenerational trauma directly caused by colonisation.

With 30+ years experience as a volunteer leader for children & youth, & women's welfare, I've seen manaakitanga (kindness, generosity) change lives.

We are only as strong as the weakest among us.

My focus is on honouring the sacrifices of those before us, ensuring transparency in decision-making, and listening to all voices so that we prepare a future for Ngāti Whātua Ōrākei built on truth, trust, and collective wellbeing. Mauri ora ki te whānau o ngā hāpu e toru- Ko
Te Taoū, Te Uri Ngūtu, Ngā Oho.

I celebrate our coming together to put our hats in the ring for these elections for our Ngāti Whātua Orākei Trust board.

This will be my fourth and last time I choose to do this. Having gone through the tail end of our settlement in 2011-2012, I saw how quickly we as a village could rally together under one kaupapa. Needless to say, we had our opposers and of course we had to be accountable to all our whanau.

I have learned almost everything about pakeha governance and Kaupapa Māori governance - or Leadership at the rangatira level. My offerings to this role as elected representative is to be proactive in achieving our goals set by your leadership; assist whanau in hauora, housing, tikanga, aged care and all the other sectors we have driven for our mutual wellbeing, education and te Reo rangatira.

I have historic insights that I believe contributes to the information base of the board. I believe we are prominent in the landscape of te ao Māori and being a smaller population of whanau compared to other iwi, we still manage to “pack a hefty political punch “ when needed. Our present board has been unified in ways our past boards couldn’t attain. Only because we have had a lot more on our plate and had to mature very quickly.

Lastly, I am making myself available because I still have a commitment that was installed by my parents. Let’s continue to be proud as uri o Tuperiri and hold our heads high for our mokopuna and uri to come.

Na Sharon Aroha Hawke.

HOPA Otene

Tēnā koutou katoa,

Ko ngā mahi o te taumata kōrero tēnā, ko ngā takinga karakia tēnā, ko te whakakanohi i te iwi ki ngā hui me ngā kaupapa nui o te motu me te ao tēnā. Kua whai wāhi atu ahau kia noho hei future director ki te poari o Whai Rawa, ā, kua noho hoki hei tauira ki ngā kaupapa o Te Matakahi me Te Matatūāhu.

Nō konei kua whakaaro ake au kia tū hei kaitarahiti mo te pōari. Ko te whāinga nui, ko te whakaū i ngā hiahia o te iwi me te whānau e whanake ano ai tātou ki taumata kē atu. E ara he rā hou, e ara he whanaketanga hou, Tīhei Mauri Ora!

Returning home to the hill has deepened my sense of belonging and strengthened my responsibility to our iwi. My journey is about coming back, reconnecting, and doing the mahi alongside our people, finding my tūrangawaewae. I believe every whānau member and uri o Tuperiri deserves to know and stand proudly on theirs.

My superpower is that I have an open heart to Manaaki: Taking time to really listen, spend time and build whanaungatanga. This is the tūāpapa of strong connection and whanaungatanga.

As a Cultural Consultant, I spend each day bringing the corporate world closer to the wisdom of Te Ao Māori. If elected, I will hold us accountable to these values, ensuring that in every decision we remember we are first and foremost an iwi and whānau organisation. Together, we can honour our past, empower our present, and protect our future.

MAIHI Hana

Ko Hana Maihi tōku ingoa, nō te whanau Maihi, Reweti hoki. I tupu ake au i raro i te maru o oku tupuna.

Our whenua, whakapapa and tikanga have shaped my commitment to kaupapa Māori. As a proud māmā and uri of Tuperiri, the orange of our whānau and iwi and taiao at large are at the heart of all kaupapa I dedicate myself to. My values and commitment to tupuna led and mokopuna- focused decisions have been shaped by our iwi and kaumātua growing up on the pā. I'm passionate about amplifying whānau voices and values in decision-making and bringing my diverse governance and life experience to the board.

Over most recent years and I have and continue to serve as a trustee of Aotearoa's largest community trust Foundation North, overseeing and implementing our Te Tiriti commitments across over 1.6 billion in investment and 52 million distributed across our Tāmaki, northland region this year. I dedicated most of the last 15 years to supporting rangatahi kaupapa and wānanga across the motu that shaped my broader understanding of our strengths and challenges as whānau and hapū and iwi. It was here I made my start on grassroots boards like our Marae Komiti that has left a lasting impression on what kaupapa Māori governance is to me - to resource the vision of our people and mokopuna to come.

MAIHI Santana

He mokopuna ahau nā Pateoro Weneti Maihi rāua ko Puti Maihi. I pakeke mai ahau ki te tiriti o Kitemoana, ki konā whakatakotohia ai te tūāpapa mō tō mātou whānau e toku Nan me tōku Papa.

From a young age, I watched my papa, Matepurua (Matt) Maihi, carry out his role as Ōrākei Marae Manager with unwavering dedication to our people. His passion for our people continues to inspire me and has instilled in me a deep sense of responsibility and pride in where I come from.

With over eight years' experience in the banking and finance sector, I've worked across consumer and business banking, operations, and now marketing. In my current role at one of the four major banks, in Aotearoa, I lead the brand aspect of consumer bank, while also championing Māori strategy and extra care initiatives that support our most vulnerable New Zealanders. At the heart of my work is a deep commitment to making decisions that support New Zealanders in reaching their goals - especially whānau Māori.

I accepted my cousins nomination for our Trust Board because I care deeply about the wellbeing and success of our people. I believe in the potential of every hapū member, no matter their age or aspirations and I want to play an active role in supporting that potential.

I bring with me a strong foundation of corporate knowledge, strategic thinking, generational diversity but more importantly, I bring heart. I bring a deep love for our people, a belief in our collective strength, and a commitment to serve with integrity, transparency, and ambition for what we can achieve.

MARTIN Willy-John

E taku iwi o Ngāti Whātua, e aku whanaunga

Nā Tuperiri ko Tarahawaiki.

Nāna ko Te Tinana.

Nāna ko Te Rārangi.

Nāna ko Wahakore Wikiriwhi.

Nāna ko Lizzie Paraone-Hemana.

Nāna ko mātou, ko āna tamariki 14.

Ko te mātāmua ahau.

I'm truly grateful for the profound difference the support and leadership of our hapū have made in the lives of my whānau. Standing for the Trust Board is an opportunity to give back and contribute to this thriving future.

I see a future where our reo, tikanga, taiao, mātauranga and rawa grow further in strength across our hapū, supported by the best of science and technology. This can unlock new opportunities in health, education, the environment and economic success. By uniting these strengths, we can elevate our resilience and grow our prosperity, anchored in our Whātuatanga.

I bring over 20 years of experience across science, health, and technology. I have held leadership roles in Māori research investment and national policy, and hold three science degrees, including a PhD in Bioscience. My work covers areas such as biodiscovery, infectious disease, data sovereignty, and genetic technologies.

In my current role as Pou Pūtaiao, Director of Māori Science, Innovation and Technology, I help steward over \$1 billion in national science investment. This has shown me how mātauranga Māori and science together can create powerful opportunities and solutions. By harnessing both, we can build on the foundations laid by our tūpuna and realise aspirations for our whānau today and for generations ahead.

I bring governance experience through chairing numerous national panels, serving on advisory groups, and contributing to kaupapa that link Māori innovation with outcomes that matter.

I commit to bringing the best of my experience, judgement, and heart to serve our people, and to strengthening the bonds that unite our whānau across Nukuroa-Aotearoa and Australia so that wherever we are, we thrive as one hapū.

My governance journey began at 16 as Selwyn College's student board rep, and continues through decades of voluntary service and marae leadership. As Chairman, I've upheld strong, transparent governance rooted in tikanga and community accountability.

Professionally, I've worked across film, television, and live events—mentored by icons like Merata Mita and Don Selwyn. From directing Waka Huia to filming ANZAC Day LIVE, my camera honours whakapapa and cultural nuance.

Outside of the wharenui, you may also find me on Te Kawau, in the kitchen, or looking for my tamariki.

In my professional life, I serve as the Tumuaki Māori at Tāmaki Paenga Hira – Auckland Museum, where I create pathways for iwi, hapū, and whānau to be seen and heard in important spaces. Over my career I have worked in technology, communications, and banking, which has equipped me with a broad perspective, as well as the finance and strategic skills needed at our top governance table.

PAPA Bernadette

He mokopuna tenei a Nanny Taku, ko Paki Tahana raua ko Kirihipina Matekuri Pateoro ōna mātua. Te kōtiro pōtiki a Makawe 'Kawe' Such (nee Cullen), ko Bernadette Papa tōku ingoa.

Whānau comes first for me and I love to hear about and develop solutions to whānau needs, concerns and moemoeā. I support efforts to ensure whānau feel connected and included wherever we may live and when returning home to Tāmaki Makaurau, the marae and papakāinga.

Having endured and overcome major struggles and separation as whānau from 'Boothill', I stand proud of the aroha and toto that flows through and connects us as Ngāti Whātua Ōrākei. I hold the values of manaakitanga, whanaungatanga and kaitiakitanga in high regard and these should guide our governance and decision-making.

After completing a post-graduate degree in 2002, I have worked mainly in the kaitiakitanga and Tiriti partnerships space for iwi, central and local government. Having worked for the Department of Conservation and Auckland Council for well over a decade, I have professional insight and experience to contribute.

I have been a hapū representative on the Tūpuna Maunga Authority and former chair of the ALD Whānau Trust. I have a passion for ngā taonga tuku iho o ngā tūpuna, especially our raranga-whatu (weaving) arts as well as access to natural resources to sustain our cultural practices.

Mauri ora!

PHILLIPS Steve

Ko au te uri o Ngāti Whātua Ōrākei, he uri whakatupu nō te mana o te whenua, te moana, me ngā tūpuna.

I stand as a candidate for the Trust Board with a clear kaupapa: to restore trust, uphold mana, and embed tikanga into every decision that affects our whānau.

Our hapū deserves governance that is transparent, accountable, and honourable. I bring a vision of leadership rooted in tikanga Māori, guided by our tūpuna. I believe in empowering our people—not controlling them. Inclusiveness, not Exclusiveness.

As a trustee of the Komiti Marae Ōrākei Trust (KMOT), I've seen firsthand the impact of forensic audits. That experience informs my commitment to financial transparency and digital tools that shine light into dark corners and give our people the clarity they deserve.

I am committed to leading a values-based campaign focused on integrity, equity, and intergenerational wellbeing. That means full debt transparency, clear repayment plans, and open books—with educational pathways that help every hapū member understand their \$1.6 billion company.

It means housing strategies that train and employ our own whānau to build high-quality homes—sweat equity models that create pride, skills, and ownership. Trade training will be central to a 10-year plan to grow our tribal capacity across all aspects of construction, laying the foundation for our own Tribal Construction Company.

My vision is not just for the next three years, but for the next three generations. I want our mokopuna to inherit a Trust that reflects the best of who we are: united, accountable, and guided by tikanga. Regardless of who holds these roles, the die will be cast—ensuring policies that embed our Mana Motuhake and Rangatiratanga.

I am part of a collective committed to honour, transparency, and mana-enhancing leadership. Together, we will challenge flawed systems, empower whānau ventures, and ensure our governance reflects the values of our tūpuna.

If elected, I will serve with humility, courage, and a relentless focus on outcomes that uplift our people. The time for change is now—to restore trust and build a future worthy of our mokopuna's mokopuna.

Ngā mihi nui,

Steve

Ko au, ko Vicky Pollock

I am an artist and weaver with Te Puāwai Weavers, and a proud member of Te Puru o Tamaki kaumātua kapa haka, and an active member of the NWO Kaumātua Roopu.

Although I was not brought up on the papakāinga, in later years I have found deep value and purpose in my involvement on the marae, strengthening my connection to our people and kaupapa.

I have served as Chair of the Manukau Sister City Committee, sat on local school boards, contributed to cultural, environmental, and community initiatives, and served on my whanau Ahu Whenua Trust.

These experiences have reinforced my belief that leadership must be present kanohi ki te kanohi with whānau, listening openly and acting with integrity. If elected, I will work with my fellow Trustees and our community to uphold our tikanga, protect our whenua and moana, and create opportunities for our iwi to thrive.

Whānau mā, your vote is your voice, he waka eke noa, let us move forward together with unity and purpose.

RAWIRI Anahera

Our mokopuna and whānau deserve conditions to thrive, not just survive. That means investing in opportunities that keep us well — culturally, physically, academically and economically. We rise by lifting those who need it most.

If elected, I will focus on three pou to strengthen our iwi and create pathways for our whānau.

Pou 1 — Whānau Focus

Decisions must be made from the whānau up, not Trust Board down. Only a fraction of our people are engaging — that must change. Whānau engagement isn't optional, it's foundational. I'll prioritise getting out to you – whatever it takes, wherever you are. Listening, sharing and being present to support whānau in employment opportunities, health, education, sport and our culture.

I've delivered on these kaupapa before — from papakāinga housing, nib health insurance and Toi Tupu, across 33 locations. We can be mobile, responsive and connected. Every whānau should have the opportunity to access what's theirs.

Pou 2 — Succession & Collective Growth

We have a talented, capable whānau. I want to see us better represented in positions of influence — regionally, nationally and internationally. I'll champion Associate roles at the Trust table and create clear pathways for whānau to have a direct voice to the Board, no matter where they are. I'll also push for greater access to leadership forums, summits and opportunities that open doors for collective success.

Pou 3 — Rawa & Economic Prosperity

With a \$1.5b asset base delivering low cash returns, our economic portfolio must work harder for us. We need stronger returns so we can invest more into education, health, housing and cultural wellbeing — on our own terms. I'll also push for better visibility of whānau-owned enterprise and transparent reporting on organisational spending.

I bring governance experience from the Waitematā Local Board, Jasmax, and the Auckland Urban Design Panel, alongside a professional career in the country's largest architectural practice.

I stand for unlocking opportunities, growing our collective influence, and investing in ourselves — for our tamariki, our mokopuna and generations to come.

Investing in ourselves on our own terms.

RUA Matt

"Ina kite koe tētahi mea hē ki mua, whakatikangia, ina kore ka rite koe ki taua hē." "If you see something wrong in front of you, you are duty bound to correct it. If you do not, you will become like it."

I stand for the Ngāti Whātua Ōrākei Trust because transparency is the foundation of trust. My previous removal from the Board was not for neglecting the Trust Deed, but for promoting openness and requesting accountability.

Then, I lacked the tools I now have—tools that protect fairness and our taonga from costly legal layers and propaganda. If elected, I will call for a full audit, to set a clear baseline from which integrity can grow.

With the right committed people, visibility is achievable. I will ensure the Trust's operations are fully transparent. Performance ratios and true evaluation are now possible at the push of a button.

Tēnā tātou katoa,

My governance and leadership experience is grounded in
education and service to our people. For the past 16 years I
have worked at Waipapa Taumata Rau | University of Auckland,
currently as the Kaiarataki | Deputy Pro Vice-Chancellor Māori.
Prior to that I was the Kaiārahi or Senior Leader in the Faculty of
Science.

I belong to Te Whare Tū Tauā o Aihe under Malcolm Kerehoma, I
am a kaihoe on Te Kawau waka tauā and a kaihaka of Te Puru o
Tāmaki and Hātea Kapa Haka.

The broad range of contributions I offer our whānau trust are:

- Commitment to positive decision-making for the benefit of all whānau.
- Strong track record in governance, strategic planning and financial management expertise.
- Commitment to positive decision-making for the benefit of all whānau.
- Dedication to developing opportunities for our people locally and globally — in education, culture, research and funding.
- Practitioner of our values and tikanga across te Kahu Tōpuni o Tuperiri, ki te ao hoki.
- Bachelor of Science and Master of Education from the University of Auckland.

I bring a depth of knowledge and extensive networks curated
over 25 years in the education and research sector. I want to
pay close attention to development. From our mokopuna right
through to our kuia and kaumatua, we have an opportunity to
grow our whānau capabilities - to best position ourselves to take
advantage of future technologies and innovations.

With humility I ask for your vote to serve our whānau, uphold the
mana of Ngāti Whātua Ōrākei, and ensure our mokopuna inherit
a thriving future.

TIPENE Graham

Tena tatou e aku Rangatira.

It has been an honour to serve on the Ngāti Whātua Orākei Trust from 2021 to 2025. In my 4 years as an elected trust member, I have been privileged to be part of the inner workings of Ngāti Whātua and help make decisions for positive future outcomes for our people. Im reminded of those who served on past Ngāti Whātua Orākei Trust Boards who made tough decisions that we are currently benefiting from. Everything Ngāti Whātua is today, is due, in part to hard decisions made by a strong board with strong leadership.

It's this thinking that pushes me to run for this round of elections for the Ngāti Whātua Orākei Trust Board 2025 to 2029. The work our team has completed in the last 4 years is only part of the bigger picture and future progress of Ngāti Whātua. The new developments currently in play for Ngāti Whātua needs a team that understands the work that has been done since 2021 and before. The ability to monitor the progress with the people who helped shaped the decision seems like a win for all. With a proven track record of managing successful kaupapa for our people prior to my election I bring relevant experience that is whanau focused and kaupapa driven. The focus of kaupapa I ran was always grass roots and aimed to bring a sense of community to our people. Whether we had a cooking competition in our wharekai or trolley races down Kitemoana St with the sound of laughter from our whanau echoing down the valley. 'Smoke kai not P' was particularly successful and I have made 2026 the year to return these kaupapa to the people.

The last 4 years have made me realise that long term consistency at board level will fulfil the expectations of our people. To serve my people for the next 4 years will mean I can continue to offer a unique perspective for decisions being made for our people. To serve my people for the next 4 years will ensure I can continue to bring a voice to the table for those who can talk to me yet shy away from talking to others. To serve my people for the next 4 years will mean I can continue to fight for opportunities that will otherwise evade our people.

Nga Manaakitanga nui ki a tatou katoa.

Kia Ora Whanau,

I am honored to be nominated on behalf of my Pairama Mu whanau in the 2025 NWO Trust elections. My wife and I, and our 4 children, have been back in Auckland for 8 years, after travelling overseas, and I have always wanted to give back to our community by being more involved with the Iwi. I would be honored and humbled to take this opportunity to contribute to the development of our people, and carry on the legacy of our tūpuna

I bring a depth of commercial, executive, and governance experience to serve our whānau with integrity and purpose. With over 20 years in senior leadership roles across global businesses and high-growth Aotearoa-based enterprises, I've led strategic transformation, commercial growth, and long-term value creation for a diverse range of stakeholders.

I currently serve on multiple boards, and I have been the director of several businesses in Aotearoa and overseas, bringing strong financial acumen, risk management capability, and a commitment to sustainable impact.

My governance approach is anchored in tikanga, transparency, and whanaungatanga, ensuring that decisions uplift the collective and honour our tūpuna. I offer a steady hand, a clear commercial lens, and a deep commitment to advancing the aspirations of Ngāti Whātua Ōrākei — from intergenerational wealth creation to social, cultural, and environmental wellbeing.

I stand for strong, accountable leadership that listens, leads with aroha, and protects our taonga for future generations.

Ngā Mihi,
Harry Woods
