KĀINGA ORA

AN EDUCATION PROGRAMME EMPOWERING WHĀNAU INTO HOME OWNERSHIP

Developed by Te Puni Kōkiri and the Commission for Financial Capability and delivered by Ochre Business Solutions, this programme is designed to assist whānau in developing financial capabilities to achieve home ownership.

Key topics include:

- affordable housing strategies such as shared ownership
- building on papakāinga
- financial goal setting
- budgeting for home ownership
- systems for your money plan
- debt management strategies
- kiwisaver and home ownership
- estate planning & asset protection

You will develop a home ownership plan by the end of the programme.

Delivered online via zoom, there are 8 modules delivered over an 8 week period. One on one facilitation and mentoring support is provided. A fully government-funded programme, there is only a maximum of 14 places available.

The programme starts the week of 12th April with information sessions commencing early March. All those interested in the programme must attend an information session.

Information sessions will be held online:

- Monday 8th March @ 7pm
- Tuesday 16th March @ 7pm
- Saturday 20th March @ 1pm
